Processing Sink Accessories:

Pre-Rinse & Faucet Combo

Our deck mounted pre-rinse & faucet combination option provides convenience and efficiency.

Etched Gallon Markers

With our optional etched gallon markers in the sink, correct mixtures are even easier to maintain.

Drain Lever Handle

A lever handle for the drain, located under the sink, ensures maximum functionality for draining.

Processing Sinks

Processing Sink Accessories:

Air & Water Pistols

The air and water pistol option are essential for thorough cleaning requirements.

RO Water

RO water completes requirements for the manual cleaning process.

4" Back Splash

Our 4" back splash option gives consumers the most ideal working surface.
